## Corporate Overview

Founded in 2000, MLM Enterprises Transportation & Consultation provides dependable, safe, and efficient transportation services, specializing in dry bulk transport, dump truck services, and trucking consultation. Based in Clinton, Maryland, MLM Enterprises operates with integrity, precision, and a commitment to safety for the Washington DC, Maryland and Virginia (DMV) area.

## Core Competencies

- **Dry Bulk Transportation Services:** Safe and efficient delivery of non-liquid bulk materials.
- **Dump Truck Services:** Transport of gravel, sand, topsoil, rubble, and brush, with collection and disposal options.
- **General Freight Trucking:** Local and long-distance transport for full truckload (TL).
- **Specialized Freight Services:** Flatbed trucking, automobile transport, and forest product transport, both locally and long-distance.
- **Trucking Consultation:** Expert advice for operational efficiency, regulatory compliance, and logistics strategy.
- **Dispatch Services:** Efficient dispatch operations ensuring optimal routing and communication.

## Past Performance

- Reliable Contracting
- Chaney Enterprises
- Monumental Concrete
